

TRACKOUT CONTROL MAT

FODS ACCESSORIES 5900 AB

Accessory Data Sheet

GENERAL INFORMATION

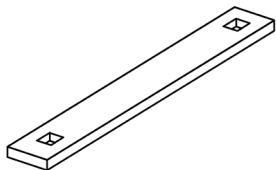

The FODS Hardware Bucket contains the hardware required to complete a four mat installation. An eight mat installation will require 2 FODS Hardware Buckets.

For unique or custom installation layouts or installation questions please contact your distributor or FODS at 844-200-3637.

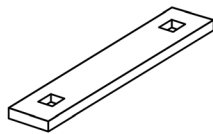

*Anchoring based on substrate. Anchors sold separately and not included in the FODS Hardware Bucket.
